

Errata and Clarification

Color Correction in Final Cut Studio by Michael Wohl and David Gross

ISBN-10: 0-321-63528-0

Chapter 1:

Page 34

Third sentence reads, "This is because the broadcast monitor is *compressing* the illegal levels..."
The sentence should read, "This is because the broadcast safe filter is *compressing* the illegal levels..."

Chapter 3:

Page 78

Second paragraph, first sentence reads, "As you have learned, the Frame Viewer lets you display other edit points...."

The sentence should read, "The frame Viewer lets you display other edit points...."

Page 92

Second paragraph, third sentence reads, "Bright parts of the picture, such as the woman's arm, cause upward curves in the midtones at the middle of the graph."

The sentence should read, "Bright parts of the picture, such as the woman's arm, cause upward curves in the midtones of the graph."

Page 93

First sentence reads, "If necessary, make the Timeline active and press Command-Down Arrow...."

The sentence should read "If necessary, make the Timeline active and press Control-Down Arrow...."

Page 105

Step 15, insert "If you choose to press Up Arrow to move to the first frame of the clip, you will need to reselect the Auto Balance color button. TIP:"

Page 111

Answer 4 reads, "They copy a filter and its settings forward to other clips in the sequence."

The answer should read, "They copy a filter and its settings forward or backward to other clips in the sequence."

Chapter 4:

Page 154

Step 4 is a repeat of step 1 and is not necessary.

Chapter 5:

Page 184

Fifth paragraph, third sentence reads, "Alternatively, you can middle-click and drag the slider left or right..."

The sentence should read, "Alternatively, you can middle-click and drag left or right in the field...."

Chapter 6:

Page 213

Answer 7 reads, "Change the vignette shape in the preview area."

The answer should read, "Modify Square and Circle vignette shapes in the preview area, modify custom vignette shapes in the geometry room."

Chapter 7:

Page 217

Step 3, second sentence reads, "(This happens around frame 8:05,....)"

The sentence should read, "(This happens around frame 3:20,....)"

Chapter 8:

Page 248/249

Last sentence starting on page 248 reads, "For example, you may want to make an adjustment to the edge detection scale while observing the output of the duotone."

The sentence should read, "For example, you may want to make an adjustment to the edge

detection scale while observing the output of the Blur.”

Chapter 9:

Page 280

Step 1, Note reads, “On lower-resolution monitors, this button mane may be truncated to “New.””
The note should read, “On some monitors, this button mane may be truncated to “New.””

Page 285

Step 6, add “TIP: Although the clip in this exercise is not multi-graded, keep in mind only the currently active grade is saved. You have to perform the save grade operation for each grade you want to save for a multi-graded clip.”

Page 285/286

Section title “Removing Grades in the Finder,” should be “Accessing Grades in the Finder.”

Page 286

Step 3, replace occurrences of “grades” with “corrections.”

Page 298

The book says to “press Command-G to make a group of the Midge clips.” Actually to make a group, you just press G, not Command-G.

Chapter 10:

Page 322

Step 6, TIP reads, “To zoom in and out on the Geometry room preview area, right click and drag left or right.”

The tip should read, “To zoom in and out on the Geometry room preview area, right click and drag down to zoom in and up to zoom out.”

Page 324

First sentence reads, “About midway through the shot (at approximately 17:00),....”

The sentence should read “About midway through the shot (at approximately 17:00 in the sequence timecode),....”

Page 326

Question 8 reads, “How do you make a shape keyframable?”

The question should read, “How do you make a custom shape keyframable?”

Page 326

Answer 1 reads, “All rooms can be keyframed.”

The answer should read, “Of the eight rooms, only Setup, Still Store and Render Queue cannot be keyframed.”

Chapter 12:

Page 363

Step 5 reads, “Press Control-1 to Activate Grade 1.”

The step should read, “Press Control-3 to Activate Grade 3.”

Page 364

Step 3, second paragraph after image, first sentence reads, “If you have an existing Final Cut Pro project open, the new sequence will be placed into that sequence.”

The sentence should read, “If you have an existing Final Cut Pro project open, the new sequence will be placed into that project.”
